School of Rock

Come listen to talented students of teacher Ross Allured. Ross has combined his students into several bands performing music from the 60's to modern rock. You have enjoyed some of these students as part of Open Mic before but tonight is their night. . .

Don't miss these young stars of tomorrow . . . And today!

Derrell Syria February 9, 7 p.m.

A local favorite! His specialty is "Finnish Reggae"! Originals and classics ... he is pure talent and fun all rolled up in one true Yooper! !

Beechgrove & Blacksmith February 16, 7 p.m.

Beechgrove & Blacksmith are husband/wife duo Terri Bocklund and Curt Kowalski. Terri is an award-winning songwriter and composer, and was an Artist in Residence at Isle Royale National Park. Her songs

are up-northy valentines to the powerful spirit of place in the UP. Curt accompanies her songs on guitar, harmonica, and violin, and jazes it all up with a variety of percussion instruments they call "the spice rack."

Chris Valenti February 23, 7 p.m.

Chris fills up the room with his vocals, guitar and harmonica! We consider him part of our family and we think you will too!

Meet the Authors! Saturday, February 16, 5 p.m.

As part of Michigan Ice Fest (February 13-17 in Munising), we will be hosting Barry Blanchard, author of "The Calling-A Life Rocked by Mountains" and John Roskelley, author of "Stories Off the Wall", and "Nanda Devi".

DIY Sign Making Workshop
